

Geography Awareness Week Colloquium

Exploring Nepal:
A First Hand Account from ECU Students

Wednesday, November 16th, 3:00 PM – 4:00 PM
ESTEP Room, Bill S. Cole University Center
Food & Refreshments served after the event

Support Geography Awareness Week and the importance of geographic education with a presentation sponsored by the Cartography Society & hosted by Dr. Mark Micozzi.

Did you know that the Nepalese students on campus comprise 59% of the entire international presence on campus. Come learn about their journey to ECU and a bit more about their homeland.

Students, staff, faculty
& the Ada community are welcome
